Certificate

Patent No. 6,886,389 B1

Patented: May 3, 2005

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Charles E. Hagar, Manchester, MO (US); Laurent Dumortier, Targon (FR); and Michael J. Evans, Nashville, TN (US).

Signed and Sealed this Sixth Day of July 2010.
